Wood Firebox

The 80R brings together premium design, efficient wood-burning performance and everyday practicality in one beautifully balanced fireplace. Designed to provide powerful heat output while maintaining a refined and contemporary presence, it creates a warm, inviting focal point that enhances both the comfort and character of the home. Thoughtfully proportioned and effortlessly versatile, it integrates beautifully into a range of spaces while still delivering the presence expected of a premium wood-burning feature. Ideal for a variety of living spaces, the 80R offers the perfect blend of understated luxury, reliable performance and the unmistakable atmosphere only a real wood fire can provide.
