Wood Firebox

The R90 L is a premium fireplace designed to make a statement. With its sleek two-sided design, it creates a stunning feature that can be enjoyed from multiple areas of the home, while delivering the powerful heat output needed to comfortably warm larger living spaces. More than just a design piece, this model is built for those who want the ambience of a luxury fireplace. Whether it's creating a warm, inviting atmosphere in an open-plan setting or becoming the centrepiece of a high end interior, the R90 L offers the perfect combination of architectural elegance, efficient heating and the unmistakable character of a true wood fire.
